# JAGUAR'S ULTIMATE PERFORMANCE SUV

F-PACE SVR is the most significant evolution yet of the award-winning F-PACE. It's an SUV with the DNA of a sports car. A sports car with all the practicality of an SUV.

SVO's highly skilled engineers and aerodynamics experts have analysed and tested every force acting on every part of the vehicle, in every way possible. Then, armed with this information, they've created something truly special.

Knowledge is more than power, it's also essential in tuning aerodynamics. By shaping the forces required to deliver breathtaking performance, Special Vehicle Operations has created a full size SUV that can roar to 100km/h in a thrilling 4.0 seconds.

# DESIGNED FOR UNCOMPROMISED PERFORMANCE

No part of F-PACE SVR exists for aesthetics alone. A revised front end with enlarged air intakes and optimally positioned bonnet vents are there to improve airflow and cooling. They also give F-PACE SVR an aggressive stance and hint at the enormous power within.

Premium LED headlights do more than simply add to its commanding road presence. They produce a quality of light that is closer to daylight conditions, so driving at night becomes less tiring.

The swooping roofline smoothes airflow over the car, resulting in a 0.36 drag coefficient. New 395mm brake discs with red 4-piston front brake calipers deliver outstanding braking performance. Bolder wheel arches house 21" or optional 22" Forged alloy wheels. For increased grip and improved cornering capability, 295mm wide rear tyres further underscore F-PACE SVR's sporting prowess.

A new spoiler extends the roofline - offering substantial lift reduction and highlighting F-PACE SVR's sportscar pedigree. For eye catching styling and performance, you can hear the F-TYPE inspired Switchable Active Sports Exhaust system featuring quad tailpipes in highly polished aluminium.

Dial from anywhere in New Zealand 0800 724-695 or push the vehicles Optimised Roadside Assistance button.

## JAGUAR FINANCIAL SERVICES

New or used for personal or business use, we have a finance option that puts you in complete control. Please speak to your local Jaguar Retailer to find out more.

## INSURANCE

To take into consideration the specific needs of you and your vehicle we have designed an insurance policy with a superior range of cover to give you peace of mind. For more information please contact your local Jaguar Retailer.

## JAGUAR ACCESSORIES

All Jaguar Accessories fitted by a Jaguar Retailer within one month or 1,600km (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited kilometre warranty. All Jaguar Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Jaguar Retailer for more information.

All our accessories are designed to be an integral part of Jaguar vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Jaguar Retailer who will be pleased to advise you on current specifications and any query you may have.
