## A DEFENDER, BUT ELECTRIC

The New Land Rover Defender Plug-in Hybrid. The most powerful and fuel-efficient Defender yet. It can run solely on electric power for up to 43 kilometres. It goes from 0-100km/h in 5.6 seconds and with 404PS it provides the same power as a 3.0 litre petrol engine, only with better fuel consumption and more torque for those tricky ascents. With high and low-range gears in electric mode, zero tailpipe emissions comes with zero compromises off-road. Land Rover Defender - capable of great things!

CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDCeq are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test.

### DIESEL EXHAUST FLUID/AdBlue®

Diesel Exhaust Fluid (DEF) also known as AdBlue®, is a non-toxic, colourless, odourless and non-flammable fluid. Stored in a dedicated tank in your car, it is injected into the exhaust system to clean exhaust gases.

## EXTERIOR COLOURS

Defender does take a nod from its origins. It's colours were influenced by earth or super continents, including Pangea and Gondwana. There's also Tasman Blue which is a modern reinvention of a heritage Defender colour. An optional Satin Protective Film can also be applied to the vehicle's exterior. This can protect the paint from scratches and delivers a rich, satin finish.

Configure your Defender online to view the range of paint colours and finishes.

### COMPLIMENTARY SCHEDULED MAINTENANCE

The Defender has Complimentary Scheduled Maintenance\* which covers your vehicle for the following number of years and kilometres travelled, whichever comes first.

1. Vehicles with 5 services
  - a. 5 years or 5 services, maximum 130,000km
2. Vehicles with 3 services
  - a. 6 years or 3 services, maximum 102,000km

The vehicles Condition Based Servicing will take into account individual driving styles and conditions to determine when and what type of servicing is required. The vehicle is fitted with a service interval indicator in the instrument panel. When a service is due an estimated distance to the next service is displayed.

\* Wear and tear parts replacements are not included in Scheduled Maintenance. Castrol EDGE Professional is the only oil recommended by Land Rover.

### VEHICLE WARRANTY

Land Rover Defender comes with a 3 year or 100,000km warranty whichever comes first.

### TRACTION BATTERY WARRANTY

The warranty period for the traction battery in a Plug-in Hybrid Electric Vehicle (PHEV) is 6 years or 100,000km whichever comes first.

### LAND ROVER ROADSIDE ASSISTANCE

Land Rover comes with complimentary 3 year Roadside Assistance for new models starting from the date of first registration. The programme provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, 24 hours a day, 365 days a year, whatever the situation, wherever you happen to be. Dial from anywhere in New Zealand 0800 49 49 32 or push the vehicles Optimised Roadside Assistance button.

### LAND ROVER ACCESSORIES

All Land Rover Accessories fitted by a Land Rover Retailer within one month or 1,600km (whichever comes first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited kilometre warranty. All Land Rover Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Land Rover Retailer for more information.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Retailer who will be pleased to advise you on current specifications and any query you may have.

### IMPORTANT NOTICE
