\*The figures provided are NEDCeq calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO<sub>2</sub> and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDCeq are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test.

\*\*WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. CLASS A - 19" wheels, CLASS B - 20", 21" and 22" wheels.

TEL (Test Energy Low) and TEH (Test Energy High) figures are shown as a range under WLTP testing measures. TEL refers to the lowest/most economical figures (with the lightest set of options). TEH refers to the highest/least economical figures (with the heaviest set of options). WLTP legislation dictates that where there is <5g CO<sub>2</sub> variance between TEL and TEH, only the TEH is declared.

# IMPORTANT INFORMATION

As well as providing a range of exclusive services and lifestyle products, the World of Jaguar makes owning and driving carefree and easy.

## COMPLIMENTARY SCHEDULED MAINTENANCE

The E-PACE has Complimentary Scheduled Maintenance\* which covers your vehicle for 3 Services up to 6 years or 102,000km, whichever comes first. The vehicles Condition Based Servicing will take into account individual driving styles and conditions to determine when and what type of servicing is required. The vehicle is fitted with a service interval indicator in the instrument panel. When a service is due an estimated distance to the next service is displayed.

\* Wear and tear parts replacements are not included in Scheduled Maintenance  
Castrol EDGE Professional is the only oil recommended by Jaguar.

## VEHICLE WARRANTY

The E-PACE comes with a 3 year or 100,000km warranty, whichever comes first.

## JAGUAR ROADSIDE ASSISTANCE

The E-PACE comes with complimentary 3 Year Roadside Assistance for new models starting from the date of first registration. The programme provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, 24 hours a day, 365 days a year, whatever the situation, wherever you happen to be. Dial from anywhere in New Zealand 0800 724-695 or push the vehicles Optimised Roadside Assistance button.

## JAGUAR FINANCIAL SERVICES

New or used for personal or business use, we have a finance option that puts you in complete control. Please speak to your local Jaguar Retailer to find out more.

## INSURANCE

To take into consideration the specific needs of you and your vehicle we have designed an insurance policy with a superior range of cover to give you peace of mind. For more information please contact your local Jaguar Retailer.

## JAGUAR ACCESSORIES

All Jaguar Accessories fitted by a Jaguar Retailer within one month or 1,600km, whichever comes first, of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited kilometre warranty. All Jaguar Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Jaguar Retailer for more information.

All our accessories are designed to be an integral part of Jaguar vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Jaguar Retailer who will be pleased to advise you on current specifications and any query you may have.
