Range added - 127km	minutes	15

(1) WLTP is the new official EU test used to calculate standardised fuel consumption and CO<sub>2</sub> figures for passenger cars. It measures fuel, energy consumption, range and emissions. This is designed to provide figures closer to real-world driving behaviour. It tests vehicles with optional equipment and with a more demanding test procedure and driving profile. (2) Weights reflect vehicles to standard specifications. Optional features increase weight.

**Height**

Maximum Height - 1,565mm(1)

**Headroom**

Maximum Front Headroom - 1,013mm

Maximum Rear Headroom - 968mm

CHOOSE YOUR

## JAGUAR ACCESSORIES

### SELECT YOUR JAGUAR ACCESSORIES

Jaguar Accessories can be purchased through your Jaguar Retailer and added at any stage of the vehicle's life – not just when it's new. Jaguar approved accessories are designed, tested and manufactured to the same exacting standards as the original equipment fitted to your vehicle. All Jaguar Accessories fitted by a Jaguar Retailer within one month or 1,600km (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. All accessory prices include fitment and GST.

For our full range of accessories please search [jaguar.co.nz/owners-accessories](https://www.jaguar.co.nz/owners-accessories) to view the online catalogue.

VEHICLE SHOWN: I-PACE in Eiger Grey with optional features

#### Roof Cross Bars

These elegant, durable bright finish cross bars, mounted to the body side of the vehicle, enable the use of a wide range of roof carrying accessories. The cross bars are easy to attach or remove, with the use of a supplied tool, and are also lockable for security. The aerodynamic profile minimises drag and wind noise. Maximum load capacity is 75kg.

Fitted Price: \$1,180

#### Ski / Snowboard Carrier

This aluminium, aerodynamic carrier provides a secure transporting system for winter sports equipment. The raised design keeps high bindings from damaging the vehicle's roof, whilst the carrier can be simply extended to slide out, alleviating the need to stretch over the roof of the vehicle when loading and unloading. Compatible with the One-Key system, this lockable carrier provides 60cm loading space that holds up to six pairs of skis or four snowboards.

Fitted Price: \$878

Also requires Roof Cross Bars (see left)

#### All-Weather Car Cover

All-weather tailored cover for the I-PACE with the Jaguar branding. Protect your I-PACE from the elements including showers, frost and dust. Quick and easy to fit. Helps to keep the vehicle interior cool in hot weather. Includes access panel to charging point.

Fitted Price: \$476

#### Aqua Sports Carrier

A versatile system for transporting a variety of water sports equipment including kayak or sailboard. Maximum load capacity of accessory is 25kg.

Fitted Price: \$632

Also requires Roof Cross Bars (see top left)

#### Rear Mounted Cycle Carrier

Premium rear mounted cycle carrier provides a convenient bike carrying solution with quick release loading attachments and secure locking mechanism. Attaches to the vehicle using the two tow eye mountings. Electrical connector fitted below rear of vehicle to power lights - side lights, stop lights and indicators included. Maximum load capacity 30kg (maximum 2 x 15kg bikes).

Multiple components.

Fitted Price: \$5,069

#### Wheel Mounted Roof Cycle Carrier

An easy to fit, roof mounted cycle carrier fits bike frames up to 100mm (80 x 100mm for oval frames, 22-80mm for round frames). Can be fitted on either side of the vehicle's roof. Quick release wheel straps allow convenient loading/unloading. Locks included for both bike to cycle carrier and cycle carrier to load carrier. Carries one bike per holder and maximum of three carriers can be fitted. Maximum cycle weight 20kg per carrier. Suitable for adult size bikes only.

Fitted Price: \$597

Also requires Roof Cross Bars (see top left)

#### Loadspace Floor Net

This floor net provides additional enclosed storage in the loadspace and helps to secure loose items such as bags or small parcels.

Fitted Price: \$281

#### Rubber Loadspace Mat

This premium mat is tailored specifically to protect the loadspace. Light and durable, it is easily removable for cleaning. Not compatible with Reduced section alloy spare wheel.

Fitted Price: \$690

#### Collapsible Organiser

The collapsible organiser keeps items from shifting during transport with two durable straps.

Fitted Price: \$248

#### Bumper Protector

Convenient pull out protector, manufactured from a robust fabric material, provides protection for the rear bumper from scratches and scuffs, helping to prevent clothing from collecting dirt from the bumper during loading/unloading.

Fitted Price: \$542

#### Quilted Loadspace Liner

This tailored liner covers and protects all the carpeted areas of the loadspace including the floor, second row seat backs and loadspace side walls. Manufactured from soft quilted fabric, with an integral rubber base and detachable bumper protector it is easy to wipe clean, making it ideal for owners who regularly carry dogs or other pets in the loadspace of their vehicle.

Fitted Price: \$1,715

#### Foldable Pet Carrier

The foldable pet carrier provides a safe, comfortable environment for the transportation of pets making it ideal for owners who regularly carry dogs or other pets in the loadspace area. Manufactured from durable 600D nylon the foldable pet carrier has a lightweight metal frame and includes a quilted fabric cushion, net windows and a spring loaded locking mechanism which snaps into place when required. Reinforced carry handles and corner peices provide a premium finish. H52cm x W52cm x L72cm.

Fitted Price: \$1,537

**Panoramic Roof Sunshade**

This two piece panoramic roof sunshade, with mesh fabric and a fabric frame, is easy to install and remove using a simple clip-on feature. Tailored to fit the panoramic roof, it offers additional shade, creating a more comfortable cabin experience. The sunshade is supplied in a storage bag which can be kept in the loadspace area when not in use.

Fitted price: \$569

**Click And Play**

This removable tablet holder attachment can easily be positioned at multiple angles for in-cabin comfort and rear entertainment.

- iPad 2-4
  - iPad Air 1st generation
  - iPad mini 1-3
  - Samsung 10.1" Tab 3 and Tab 4 only
- Fitted Price: \$142 each

- Click and Go Base required  
Fitted Price: \$88

**Rubber Mats**

Hard wearing Jaguar branded rubber mats provide added protection for your vehicle's carpets. Sold as a vehicle set.

Fitted Price: \$486

**Click And Hang**

The Click and Hang is part of the Click and Go range. This removable coat hanger allows shirts or jackets to be kept crease-free whilst transporting. Also includes an integral hook for use outside the vehicle.

Fitted Price: \$258

Click and Go Base required (see above)

**Jaguar Branded Mudflaps**

These mudflaps complement the lines of your vehicle, reduce spray and provide protection from dirt and stone chippings.

Fitted Price: \$440 - Front  
Fitted Price: \$440 - Rear

**Protective Second Row Seat Cover**

Protects back of front seats, floor and second row seats from mud, dirt and wear and tear. Machine washable.

Fitted Price: \$1,715

VEHICLE SHOWN: I-PACE in Eiger Grey with optional features

# IMPORTANT INFORMATION

As well as providing a range of exclusive services and lifestyle products, the World of Jaguar makes owning and driving carefree and easy.

## COMPLIMENTARY SCHEDULED MAINTENANCE

The I-PACE has Complimentary Scheduled Maintenance\* which covers your vehicle for 3 Services, up to 6 years or 102,000km, whichever comes first. The vehicles Condition Based Servicing will take into account individual driving styles and conditions to determine when and what type of servicing is required. The vehicle is fitted with a service interval indicator in the instrument panel. When a service is due an estimated distance to the next service is displayed.

\* Wear and tear parts replacements are not included in Scheduled Maintenance

## VEHICLE WARRANTY

The I-PACE comes with a 5 year or 160,000km warranty (whichever comes first).

## BATTERY WARRANTY

For your added peace of mind I-PACE's 90kWh battery comes with an 8 year or 160,000km warranty (whichever comes first).

## JAGUAR ROADSIDE ASSISTANCE

The I-PACE comes with complimentary 5 Year Roadside Assistance for new models starting from the date of first registration. The programme provides assistance in motoring emergencies, from immobilisation due to breakdown or accident to minor problems such as punctures. You can rely on our roadside assistance, 24 hours a day, 365 days a year, whatever the situation, wherever you happen to be. Dial from anywhere in New Zealand 0800 724-695 or push the vehicles Optimised Roadside Assistance button.

## JAGUAR FINANCIAL SERVICES

New or used for personal or business use, we have a finance option that puts you in complete control. Please speak to your local Jaguar Retailer to find out more.

## INSURANCE

To take into consideration the specific needs of you and your vehicle we have designed an insurance policy with a superior range of cover to give you peace of mind. For more information please contact your local Jaguar Retailer.

## JAGUAR ACCESSORIES

All Jaguar Accessories fitted by a Jaguar Retailer within one month or 1,600km (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited kilometre warranty. All Jaguar Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Jaguar Retailer for more information.

All our accessories are designed to be an integral part of Jaguar vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Jaguar Retailer who will be pleased to advise you on current specifications and any query you may have.

## IMPORTANT NOTICE

All pricing, specification & option levels are relevant for MY22 production at time of printing. All prices are in New Zealand dollars and include GST but exclude On-Road and set up costs. Jaguar New Zealand reserves the right to make changes to pricing, specification & options at any time without prior notice.

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this Specification and Price Guide should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

## COLOURS

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Please check availability of colours and current specifications with your Jaguar Retailer.

## TRADE MARKS

Meridian™ is the registered trademark of Meridian Audio Ltd. The Bluetooth. word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Jaguar Land Rover Limited is under licence. Apple CarPlay®, iPhone, iPod, iPod touch and iPad are trademarks of Apple Inc, registered in the US and other countries. Android™ is a trademark of Google Inc. The navigation system must always be used in conditions that will not affect the driver's ability to drive safely or affect the safety of other road users.

## ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.
